Serving on the School Board this year, as well as last, we find (Left to Right, Back to Front) Hugh Swetnam, Homer Teegarden, Shirley Ball, Donald Barker, Robert Knapp, Dr. Baskett, President; and William Maynard. This year they not only had to go through the usual executive functions but they also tackled the responsibilities of hiring a new Principal for the high school, Mr. McCullum, and they elected to build the long dreamed of new high school.

Pictured right is the Superintendent of Mississinewa High School, Mr. Paul McPherson. He oversees administrative duties for the entire school. Mr. McPherson also works with the school board and professional staff.

Pictured left is our Assistant Superintendent, Mr. Lawrence Meyer. This is Mr. Meyer's last year at MHS which concludes twenty-nine years of service. Mr. Meyer came to this school system on November 1, 1945 after returning from overseas. He taught math and science until 1948 when Gas City High School became Mississinewa. Mr. Meyer became principal here from 1948 until 1966. In the summer of 1966 he took the position as Assistant Superintendent and has held that since.

Pictured right is our Assistant Principal Mr. John Fredenberger. Mr. Fredenberger is well-known as the peace-keeper at the high school. His many duties bring him into constant contact with the student body.

Among the seemingly numerous changes at Mississinewa this year is our new Principal, Mr. Gerald McCullum. Mr. McCullum taught math four years at Jeffersonville High School from which he graduated. He was principal at Edinburg High School before coming to Mississinewa. We welcome Mr. McCullum and hope that his first at Mississinewa is an enjoyable one.

2. Mrs. Kinser smiles wickedly at a nonplussed Senior Math class.
3. Tina Jacks demonstrates geometry.
4. Concentration is mandatory for math assignments.
5. Mr. Kissane and students are inseparable.

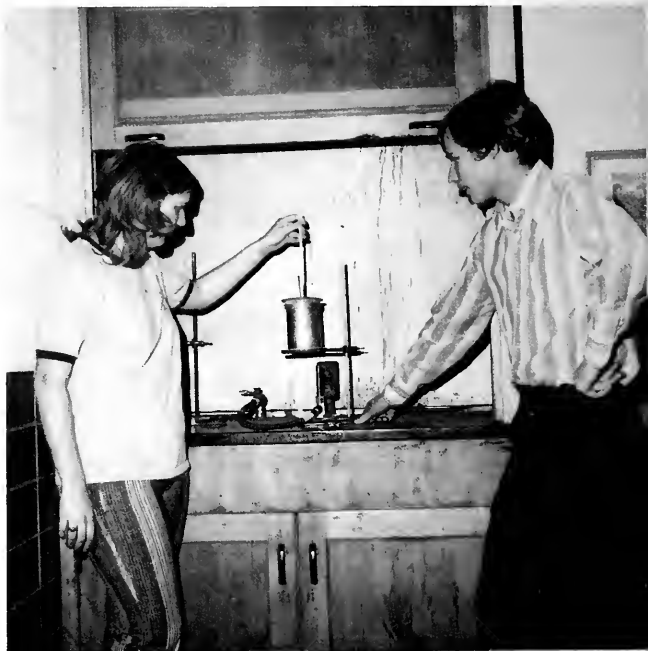

Colleges usually state one to two years of math as a prerequisite to admission. We at MHS are urged by our counselors and teachers to include math in our curriculum. Mrs. Kinser, Mrs. Miller, Mr. Gould, and Mr. Kissane try very hard to instruct us in the fundamentals of math from one-plus-one to analysis. Math is necessary for many facets of life; economics, science, engineering . . . and just plain mathin' around.

Math

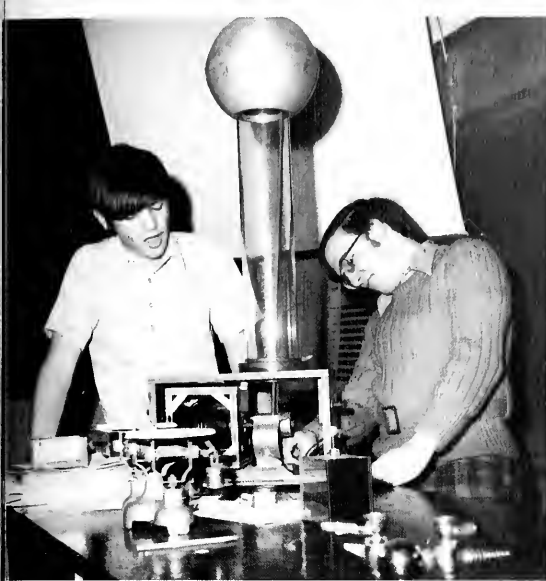

Science

In our advancing world science becomes more and more an essential part of daily living. At MHS our science curriculum includes beginning and advanced biology, chemistry, and physics.

Mr. Hocker collaborates with school lunch committee over today's "special".

Above: At zee end uff zhis experment, Egor, I vill haff succeeded in creating a living cell! Right: Kim finds the "tongue-out" technique most helpful when solving physics equations. Below: Ken ponders the ever-scientific question: "What is that!"

There are many things involved under the general topic of business. A student who is pursuing a business major in high school has classes such as Bookkeeping, Business Law, Business Math, Typing, Shorthand, and Business English to name a few. A large percent of the jobs available in our nation require skills in business techniques. Some career possibilities are secretarial work, some executive positions and accounting.

History

"Which one of you hot dogs put the tac on my chair?"

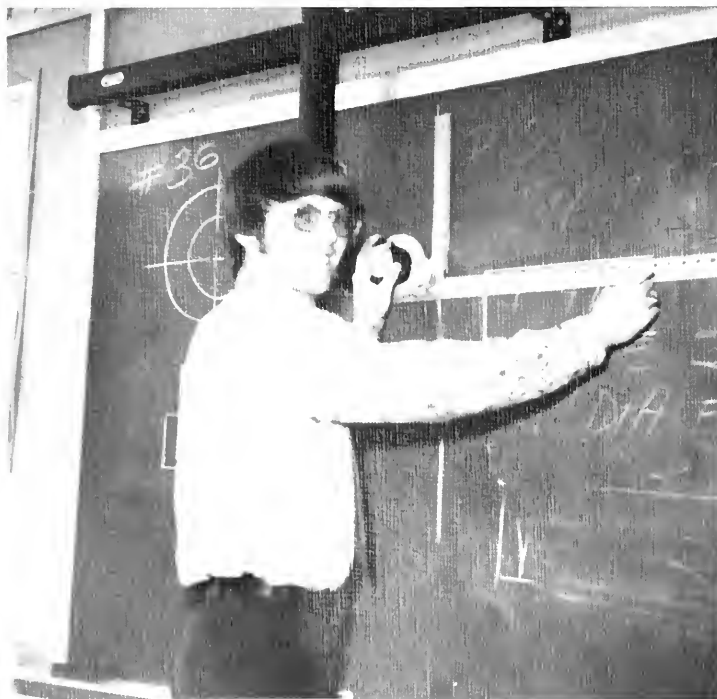

"Okay kids, get out a half sheet of paper."

History classes are a dominant part of a student's high years. At Mississinewa we start as freshmen in the study of Current Problems. We continue to delve into the lives of our ancestors through World History. As seniors we undertake the studies of Economics and Government. Through the study of history we are taught, primarily, to learn from the mistakes of past generations.

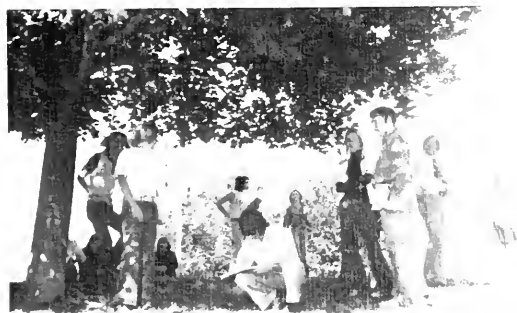

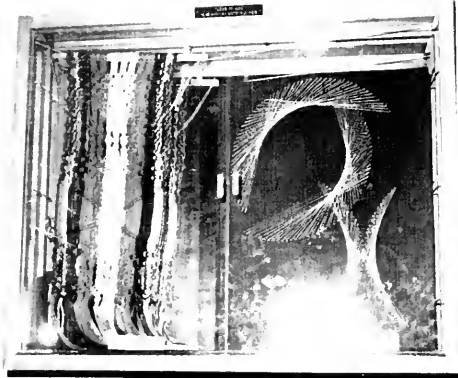

Although Industrial Arts is predominantly a boys class, there are a few exceptions. Haven for enterprising young architects and engineers, the "guys" go through a series of classes such as Beginning Woods, Drafting, Electricity and more.

Industrial Arts

A r t

Students of art learn many varieties of artistic form. Beginning art is a period in which the student studies a wealth of general things. Advanced artists have more of a chance to specialize. These two pages are an illustration of the talents at MHS.

Physical

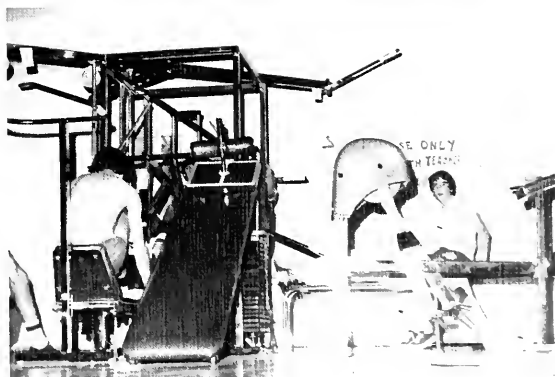

Physical fitness plays an essential role in our lives. We see it everywhere; in magazines, on television, and through special programs. Fitness seems especially evident in our generation. Society puts a premium on good health now more than ever. Employers are more likely to hire the person who appears to have that "healthy look". Life insurance rates are usually better and lower for those who are fit. Mississinewa recognizes its obligation to promote physical fitness.

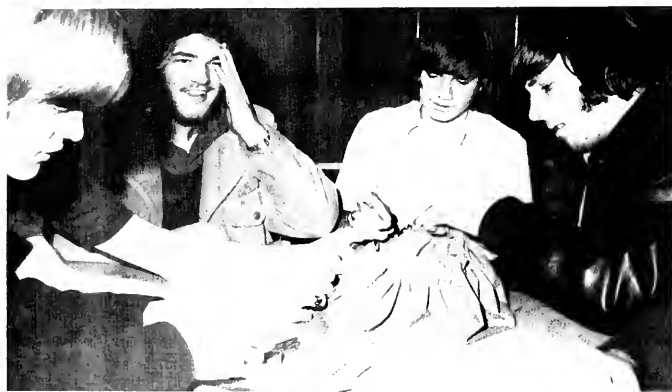

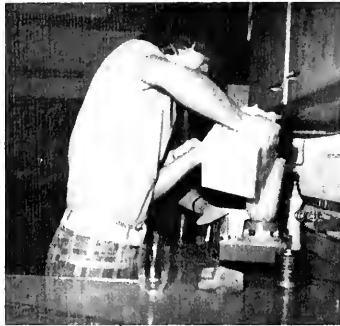

E d u c a t i o n

Physical Education can be a very enjoyable experience for athletic-minded students. It can also bring one fame. For example, in what other class could you have a picture of yourself standing on your head in the Pow-Wow?

At Mississinewa, both male and female students take part in home economics.

Drama & Speech

The drama and speech classes, taught by Mrs. Barlow, prove to be a good outlet for self-expression. These classes build confidence and shape personality. Right: Mrs. Barlow lectures on public speaking. Below: MHS stage, ultimate goal for many a potential actor or actress.

Journalism

The journalism class is primarily a class for deeper study into the art of good writing. The students in this class under the direction of Mr. Lighthart, learn the concepts of clear, concise writing. They also have a chance to try their hand at writing articles for the Smoke Signal.

CHEERLEADERS !!

This past June, the Mississinewa Cheerleaders competed at a cheerleading camp in Michigan against 200 other cheerleaders from four states. They received second place as a team and won six other ribbons. They won a special ribbon for their Pom Pom routine to the music of "Shaft". Kim Moyer, captain of the squad, won second place in individual competition.

Also this summer, the squad won second place at the Tipton County Fair. Then at the Michigan National Competition, the cheerleaders went on to win the Grand National Pom Pom Championship. Between the football and basketball seasons they won fourth place at the competition in Kokomo just missing third place by one point and second place by two points.

The varsity cheerleaders pictured from left to right are: Kelly Moyer, Karen Shawler, Kim Moyer, Vem-bra Esra, Patti Fisher, Lynn Carter. The B-Team Cheerleaders on the opposite page are: Jyme Cunningham, Chrys Kirby, and Karen McPherson.

G.A.A.

The Girl's Athletic Association is far more than just a club for girls who like sports. In the past few years GAA has emerged from an ignored group to one that puts out fine female athletes. Under the direction of Miss Nierste the girls participate in many sports such as swimming, hiking, horseback riding, skating, bowling, and the traditional volleyball and basketball. This year the girls sold wastebaskets and red and white hats to help pay for spiffy new uniforms.

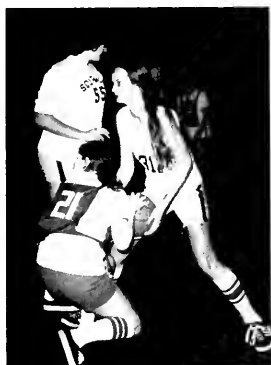

G.A.A. Officers: Debbie Saunders, Secretary; Robin Reed, Reporter; Donna Martin, Vice President; Twila Ruth, Treasurer; Bev Atkins, President.

Basketball

The girls basketball team is not merely a part of the Girls Athletic Association but an independent team belonging to the IHSA. Their new coach, Miss Nierste, has done a good job in giving moral support and confidence to the girls. The team has played many games and won a good deal of them. Mississinewa is sponsoring a basketball tourney on March ninth. February 14 the girls team played against the women faculty (and incidentally wiped them out) at the WOWO game.

French Club

Pictured above is Mrs. Patty Kunkel, originator of the French Club. Early in this school year we sadly watched her leave because of her husband's transfer to Georgia. We welcome her replacement, Miss Linda Banker as our new French teacher. This year the French and Spanish clubs thought that it would be beneficial to them if they met together so that the students in each club could get a "taste" of what different cultures are like. Taste they did as the Spanish club gave an authentic Spanish dinner for the French club.

FTA

The FTA Officers Right Are: (Left to Right) Ron Cox, Vice-President; Ken Kendall, Historian; David Dassing, President; Donna Martin, Treasurer; Bill Fern, Reporter; Cynthia Nogar, Secretary.

While not all the students in FTA will become teachers it is a good experience for anyone. Probably the most interesting part of FTA is that members get the chance to student teach at one of the grade schools or possibly in the high school. These people usually take the time out of their school day to do this. This in itself makes the offer attractive. After some experience the students are enjoying their teaching and are finding out whether they would like a teaching career.

FHA

Future Homemakers of America

One of the major projects this year for the FHA was sponsoring a very successful Homecoming Dance. The dance, complete with live band, topped off the evening of festivities and carried the theme "Follies".

Suzy Homemaking is not only limited to the females of MHS this year. You may have been surprised to see a few pioneering young men pushing football jerseys, calendar books, and pen sets for FHA. Quite a step in the forward direction. We are only left to wonder whose idea it was to have a slumber party for the bold young initiates.

FHA Officers Above Are: (Left to Right) Beverly Dailey, Reporter; Brenda Beckley, Vice-President; Mrs. Lehman, Sponsor; Ginger Gosser, Treasurer; Carol Landis, President. Not pictured is Janice Gould as Secretary.

C.O.E.

Mississinewa has added a new program this year for the business students. This program, Cooperative Office Education, enables students to work a few hours and receive class credit for it. COE is for the students who have already obtained jobs. The students on the waiting list are members of Office Education Association. They take a class at school where they try to improve on any skills that they might be lacking in. The head of COE and OEA is Mrs. Graft.

O.E.A. Officers At Side Are: (Left To Right) Jenny Wilson, President; Linda Shanks, Vice-President; Lisa Shively, Treasurer; Joyce Murphy, Historian; and Barb Smithson, Secretary.

Foreign Exchange Student

This page is dedicated to a very friendly "first" at Mississinewa. This is, of course, our first foreign exchange student, Henrica Lilius. Henrica's homeland is Finland. She is staying with Rev. and Mrs. Eugene Rapson while living in Jonesboro. Henrica is sponsored by the Honor Society, and is a member of several clubs and organizations such as Student

Council, Tri-Hi-Y, Honor Society, and Pep Club. We sincerely hope that our school, our town, and our country have lived up to her expectations, and we wish her a happy stay in the U.S.

Pictured Below Are Thespians Officers: Dawn Wilson, Recorder; Kay Arlington, Secretary; Tom Shoemaker, Treasurer; Susie Taylor, Vice-President; Connie Whitaker, President.

The Thespians is a national organization of aspiring young actors and actresses dedicated to the purpose of bringing entertainment to the world. They are an honorary and elite group who have worked hard to earn their place in Thespians. In order to become a Thespians one is required to work at least one-hundred hours on a theatrical production. They must then be voted in by other members of the group. Each year a banquet is given to induct new members. At the end of each year a senior is chosen to be "Best Thespians Award" winner. These winners are determined by the amount of work points that they have accumulated in high school. The voting is done by the other Thespians and the award is given on senior honor night.

T h e s p i a n s

The Drama Club is a group formed by students of all grades. Together with the Thespians this group performs plays of multiple varieties. One of the first projects of their busy year is a float in the Homecoming parade. After this the club's activities are slowed down until the annual variety show. This show is composed of the talents of the students of our school. The theme for the variety show this year was "125 N. Broadway Follies." The first place award was won by Tom Shoemaker who played a piano solo entitled "Maple Leaf Rag". Cindy Wright, a junior high student from East School took second place honors with a piano solo of her own arrangement. Diane Rademaker captured third place with a vocal solo, "The First Time Ever I Saw Your Face". The master of ceremonies was Mr. Jack Hall of of WGOM in Marion.

Other productions of the drama club are two one-act plays; "Four Little Words", a comedy, and "Trifles", a drama. There is a lot of work that must be done in order to put a production together. First is the matter of choosing a play that suits most of the members. Then is the problem of choosing between many talented amateurs to be in the cast. Committees must be chosen for publicity, props, stage, lighting, make-up, costumes, programs, and tickets. The house committee is also chosen. The dramatists have six weeks in which to learn their lines, build sets, and organize the over-all business of turning out a successful production.

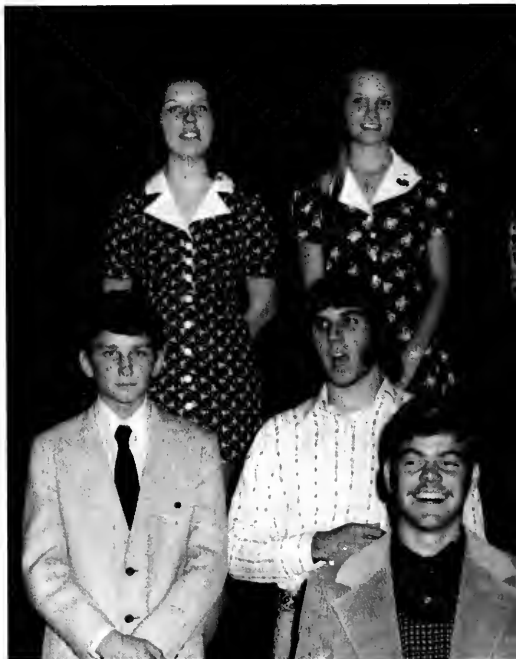

The Above Members Of The MHS Drama Club Are: (Back) Rob Wilson, Cynthia Nogar, Kelly Turner, Dawn Wilson, Susie Taylor, Robert Rodman, Diane Rademaker, Theresa Denson, Judy Strausbaugh. Students probably know most everyone in M-Club form attending such loved sports events. What they may not know is that when these athletes are not running, jumping, or throwing a softball they are buying Coke for half-time at football games or making out programs for sports events.

Because of the fine athletic performances of these young athletes, Mississinewa was honored with the presentation of the all-sports trophy held by Mr. Charles Fisher. Also Three of our coaches: Mr. Larry Hocker for Track, Mr. Mannies for baseball, and Mr. Terry Munday for Cross-Country, captured "coach of the year" awards.

Cross
Country

This year the team was led by seniors Dudley Gibson and the most improved runner, Danny Garza. The backbone of the team was comprised of juniors including Brian Swanner, Chris Stapleton, Greg Gould and Mitch Maynard. Coach Munday is extremely interested in increasing the respect and enthusiasm of cross country at Mississinewa.

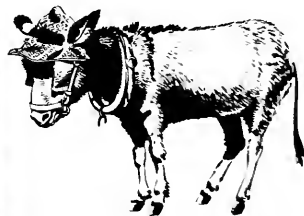

1973 CROSS COUNTRY SEASON

For the second straight year the Cross Country record is 12-1. They repeated again this year as MVC and County runner-ups. Right On!!!

1973 VOLLEYBALL SEASON

Girls Volleyball drew such enthusiasm this year that we thought that they should be represented with their record of 2 wins and 7 losses. They made an outstanding show at the Eastbrook Invitational Tourney where Twila Shugart received the Sportmanship Award and the team pulled a second place. They competed against some of their toughest opponents including first place Wapahani, Eastbrook and Southwood.

1973 GOLF SEASON

This year's Golf Team, led by lettermen Scott Murphy, Terry Schaumleffel, Gary Baranack, Stan Thomas and Rick Swain, compiled a fine 15-2 record. With some superb shooting, they won the county Championship and closed the season second in the conference. Great things in the future are expected from the B-Team "club": Tom Chambers, Mike Swisher, Greg Gould, Scot Weaver, Mark Stevenson, John McCary and Ron Jones. Herb McPherson's reserves finished with 8-1 winning season.

Baseball

1973 BASEBALL SEASON

The 1973 Baseball Season was the 11th Successive Winning Season for the Mississinewa Indians, after winning their 10th Consecutive MVC Championship. Having a record this year of 26 wins and 15 losses, this now leaves a total of 271 wins and 77 losses.

Some of the players with Highest Achievement in the 1973 season are:

RANDY BAILEY—Led team in Home Runs with a new school record of 5, led team in Batting Average in both spring and summer seasons at .487 and .407, and led team in R.B.I.'s.

RICK DESSING—Led team in Stolen Bases and set a new record of hits over high school career.

ED DAY—Best Pitching Win-Loss Record of 6-1.

BRYAN ELLIOTT—Best Fielding Record of .987

JOE WINES—Best E.R.A. Record of 2.05

1973 TENNIS SEASON

Despite the Tennis Team's dismal record of 0-8, fine talent was displayed in Varsity racketeers Gary Davis, Jim Campbell, Ron Roseberry and Rex Cooksey. Gary Davis, in an exciting match, was the sole Indian to advance to the second round in the Peru Sectional. The B-Team finished with one win in five starts with such stand-outs as Paul Maine, Mark Stephenson, Randy Heathcote, Doyle Seekens, Joe Ziller, Jeff McWhirt and Brad Martin. With these team members, Coach Haggerty will face next season with hopeful optimism.

The major freshman sports have not gone unnoticed. They have compiled a 14-1 record in football and 9 wins and 6 losses in basketball. We expect an outstanding performance from them in their continuing high school career.

Education ... our greatest CHALLENGE...

There is no challenge to our modern society and no opportunity greater than educating our youth.

The old adage that says, "True intelligence is the power to adapt," has never held more meaning.

We have had and will continue to have a knowledge explosion. Four times as much is known today as was known in 1935.

U. S. Department of Labor studies point out that an individual's asset of experience increasingly will carry less weight than

his level of education. Many occupations of the future are not now even in existence.

The only sound educational target for such a future is to plan for those occupations which do not yet exist. Students must be able to learn how to learn and to apply themselves to new conditions as they arise.

This is no vocational assignment alone. Our nation needs intellectual as well as material growth. Our nation needs citizens as much as workers.
